in the Cuddapah Treasury and Observes that the late Collector Mr. Cochrane should be called upon to state in plain terms when & by whom the "Gybut" was established in the Cuddapah District and if he ever examined the Box in which the Public Money under that name was deposited suggests that the Head Sheristadar should be either suspended or removed from the District that all the Natives of the Hugoor Establishment should be transferred to other stations, and that all the Volunteers of the Collectors Cutcherry be removed, also that a fresh investigation be instituted under Regulation IX of 1822 and that the Shotrium conferred on Butcha Row in 1842 be resumed — — — 22d Apl. 1851 | 27th May No. 6
